Oncobiologics Announces Term Extension of Series A Warrants

February 6, 2017

CRANBURY, N.J., Feb. 06, 2017 (GLOBE NEWSWIRE) -- Oncobiologics, Inc. (Nasdaq:ONS) (Nasdaq:ONSIW), a clinical-stage biopharmaceutical company focused on identifying, developing, manufacturing and commercializing complex monoclonal antibody biosimilar therapeutics, today announced an extension to the term for exercise of its publicly traded Series A warrants (NASDAQ:ONSIW).

The Series A warrants were issued as part of the units in Oncobiologics' May 2016 initial public offering and are exercisable for shares of its common stock at an exercise price of \$6.60 per share. The Series A warrants would have expired at 5:00 pm New York City time on February 18, 2017. The expiration date has now been extended to 5:00 p.m. New York City time on February 18, 2018. The Series A warrants and the common stock issuable upon exercise of the Series A warrants are covered by a registration statement on Form S-1, as amended, previously filed with and declared effective by the Securities and Exchange Commission.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful, prior to registration or qualification under the securities laws of any such state or jurisdiction.
