Item 1.01 Entry into a Material Definitive Agreement

On July 18, 2018, and as contemplated by that certain previously announced agreement in principle dated June 20, 2018, Oncobiologics, Inc. (the “Company”) entered into an exchange agreement (the “Exchange Agreement”) with GMS Tenshi Holdings Pte. Limited (the “Investor”), a Singapore private limited company and the Company’s controlling stockholder and strategic partner, pursuant to which the Company exchanged an aggregate of 58,735 shares of voting Series A Convertible Preferred Stock (the “Series A”) held by Investor for 58,735 shares of its newly created series of voting convertible preferred stock, voting Series A-1 Convertible Preferred Stock, par value \$0.01 per share (the “Series A-1”). Accordingly, all of the issued Series A have been retired and cancelled and may not be reissued as shares of such series in accordance with their terms. If the exchange of the Series A held by Investor for newly created Series A-1 did not occur on or prior to July 20, 2018, the Company agreed to pay Investor a conversion premium equal to \$10 million (as liquidated damages) via wire transfer of immediately available funds in lieu of any such exchange.

In connection with the entry into the Exchange Agreement, the Company and the Investor amended the Investor Rights Agreement dated September 11, 2017, as amended, (the “Second Amendment to Investor Rights Agreement”) in order to provide the Investor certain registration and other rights with respect to the shares of Common Stock to be acquired upon conversion of the Series A-1 issued pursuant to the Exchange Agreement.

A total of 200,000 shares of Series A-1 have been authorized for issuance under the Certificate of Designation of Series A-1 Convertible Preferred Stock of Oncobiologics, Inc. (the “Certificate of Designation”). The shares of Series A-1 have a stated value of \$100.00 per share, are initially convertible into 8,879,780 shares of the Common Stock and rank senior to all junior securities (as defined in the Certificate of Designation).

The Series A-1 is intended to have the same conversion and dividend features as the Series A, but reflect an increased redemption premium and increased liquidation preference that provides Investor with similar redemption premium and liquidation preference as before the June 20, 2018 conversion of 208,836 shares of Series A by Investor.

The Series A-1 accrue dividends at a rate of 10% per annum, compounded quarterly, payable quarterly at the Company’s option in cash or in kind in additional shares of Series A-1. The Series A-1 is also entitled to dividends on an as-if-converted basis in the same form as any dividends actually paid on shares of Common Stock or other securities. The initial conversion rate is subject to appropriate adjustment in the event of a stock split, stock dividend, combination, reclassification or other recapitalization affecting the Common Stock. The holders of the Series A-1 have the right to vote on matters submitted to a vote of the Company’s stockholders on an as-converted basis, voting with the Company’s other stockholders as a single class. In addition, without the prior written consent of a majority of the outstanding shares of Series A-1, the Company may not take certain actions, including amending its certificate of incorporation or bylaws, or issuing securities ranking *pari passu* or senior to the Series A-1.

The terms of the Series A-1 distinguish between certain liquidation events (such as a voluntary or involuntary liquidation, dissolution or winding up of the Company) and “deemed” liquidation events (such as a sale of all or substantially all of the Company’s assets, various merger and reorganization transactions, being delisted from NASDAQ, and the occurrence of an event of default under the terms of the senior secured notes), in each case as defined in the Certificate of Designation. In the event of a liquidation (as defined in the Certificate of Designation), the liquidation preference payable equals the sum of (A) 550% of the Series A-1 stated value per share plus (B) an amount equal to (x) 550% of any accrued, but unpaid, preferred dividends (as defined in the Certificate of Designation) plus (y) any unpaid participating dividends (as defined in the Certificate of Designation). In the case of a deemed liquidation event (as defined in the Certificate of Designation), the multiplier is increased to 600%.

The Series A-1 is convertible at any time at the option of the holder based on the then applicable conversion rate. If conversion is in connection with a liquidation (as defined in the Certificate of Designation), the holder is entitled to receive 550% of the number of shares of common stock issuable based upon the then applicable conversion rate. In the event of a deemed liquidation event (as defined in the Certificate of Designation), the multiplier is increased to 600%.

Additionally, the holder may irrevocably require the Company to redeem the Series A-1 in the event of a deemed liquidation event for the sum of (A) 600% of the Series A-1 stated value per share plus (B) an amount equal to (x) 600% of any accrued, but unpaid, preferred dividends (as defined in the Certificate of Designation) plus (y) any unpaid participating dividends (as defined in the Certificate of Designation), although such redemption may not be made without the consent of the senior secured noteholders if such notes are outstanding at the time of any such redemption.

The shares of Series A-1 have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States without registration or an applicable exemption from the registration requirements of the Securities Act. The exchange of the Series A-1 for the shares of Series A held by the Investor was made in reliance on Sections 3(a)(9) and 4(a)(2) under the Securities Act, without general solicitation or advertising.

The Exchange Agreement contains ordinary and customary provisions for agreements of this nature, such as representations, warranties, covenants and indemnification obligations.

The foregoing description of the Exchange Agreement, Second Amendment to Investor Rights Agreement, and of the rights, preferences and privileges of the Series A-1 is a summary of the material terms of such agreements and the Certificate of Designation, does not purport to be complete and is qualified in its entirety by reference to the Exchange Agreement, Second Amendment to Investor Rights Agreement, and to the Certificate of Designation, which are filed as Exhibits 10.1, 10.2 and 3.1, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

Subject to Section 5 below, the number of Series A-1 Convertible Preferred Shares may be increased or decreased by resolution of the Board of Directors and the approval by the holders of a majority of the outstanding Series A-1 Convertible Preferred Shares (the “**Series A-1 Majority Holders**”), voting as a separate class; provided that no decrease shall reduce the number of Series A-1 Convertible Preferred Shares to a number less than (a) the number of shares of such series then outstanding, plus (b) the number of shares of such series necessary to support the payment of the Preferred Dividends (assuming such Preferred Dividends are paid through the issuance and delivery of PIK Shares in accordance herewith). The Series A-1 Convertible Preferred Shares will not be issued in certificated form and will be issued in book-entry form.

Section 3. Ranking. The Series A-1 Convertible Preferred Stock shall, with respect to dividend rights and rights upon Liquidation, rank senior to all Junior Securities.

Section 4. Dividends. (a) The Holders shall be entitled to receive, (i) on each share of Series A-1 Convertible Preferred Stock, dividends at a rate of 10.0% per annum on the Series A-1 Stated Value, compounded quarterly from and after the Issue Date of any such Series A-1 Convertible Preferred Share, which shall be payable as set forth below (the “**Preferred Dividends**”), and (ii) when, as and if declared by the Board of Directors, out of any funds legally available therefor, dividends per share of Series A-1 Convertible Preferred Stock of an amount equal to the aggregate amount of any dividends or other distributions, whether paid in cash, in kind or in other property (including, for the avoidance of doubt, any securities), on the issued Common Shares on a per share basis based on the number of Common Shares into which such share of Series A-1 Convertible Preferred Stock could be converted on the applicable Record Date for such dividends or other distributions, assuming such Common Shares were issued on such Record Date (the “**Participating Dividends**” and, together with the Preferred Dividends, the “**Dividends**”). The Company will not declare or pay any dividends or other distributions on the Common Shares that would require a Participating Dividend unless it concurrently declares and sets aside for payment or distribution, as applicable, such Participating Dividend for all Series A-1 Convertible Preferred Shares then outstanding.

(b) Preferred Dividends shall be cumulative and shall accrue and accumulate quarterly commencing on the Issue Date and be payable quarterly in arrears on December 31, March 31, June 30 and September 30 of each year commencing on September 30, 2018 (each, a “**Preferred Dividend Payment Date**,” and the period from the Issue Date to the first Preferred Dividend Payment Date and each such quarterly period thereafter being a “**Preferred Dividend Period**”). Participating Dividends shall be payable as and when paid to the holders of Common Shares (each such date being a “**Participating Dividend Payment Date**,” and, together with each Preferred Dividend Payment Date, a “**Dividend Payment Date**”). Preferred Dividends that are payable on Series A-1 Convertible Preferred Stock in respect of any Preferred Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of Preferred Dividends payable on Series A-1 Convertible Preferred Stock on any date prior to the end of a Preferred Dividend Period, and for the initial Preferred Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month. Preferred Dividends shall accumulate whether or not in any Preferred Dividend Period there have been funds of the Company legally available for the payment of such Preferred Dividends. Participating Dividends are payable on a cumulative basis once declared, whether or not there shall be funds legally available for the payment thereon.

(c) Preferred Dividends shall, at the option of the Company, be paid in cash or by issuance and delivery of additional fully paid and nonassessable Series A-1 Convertible Preferred Shares (“**PIK Shares**”) in lieu of the payment in cash of all or a portion of the dividend otherwise payable on any Dividend Payment Date, in the case of PIK Shares, by issuance and delivery of an amount of PIK Shares (rounding up in the case of any resulting fractional number of PIK Shares) for each Holder equal to (i) the aggregate dollar amount of the Preferred Dividend payable to such Holder with respect to the Series A-1 Convertible Preferred Shares held by such Holder as of the Preferred Dividend Payment Date, divided by (ii) the Series A-1 Stated Value. Participating Dividends shall be paid when and in a manner consistent with payments of dividends in respect of the Common Shares. No later than the Record Date for any Preferred Dividend, the Company will send written notice to each holder of Series A-1 Convertible Preferred Shares stating (A) whether such Preferred Dividend will be paid in cash or by issuance and delivery of PIK Shares and (B) if such Preferred Dividend will be paid by issuance and delivery of PIK Shares, the amount of PIK Shares that will be issued and delivered. If the Company fails to send such written notice on or before the Record Date for any Preferred Dividend, then the Company will be deemed to have irrevocably elected to pay such Preferred Dividend by issuance and delivery of PIK Shares.

(d) From and after the time, if any, that the Company shall have failed to pay all accrued, but unpaid, Preferred Dividends for all prior Preferred Dividend Periods, or failed to pay or distribute, as applicable, any unpaid Participating Dividends in accordance with this Section 4, no dividends shall be declared or paid or set apart for payment, or other distribution declared or made, upon any Junior Securities, nor shall any Junior Securities be redeemed, purchased or otherwise acquired for any consideration (nor shall any moneys be paid to or made available for a sinking fund for the redemption or other purchase of any such Junior Securities), directly or indirectly, by the Company or any of its subsidiaries until (i) all such Dividends have been paid in full or (ii) all such Dividends have been or contemporaneously are declared and a sum sufficient for the payment thereof has been or is set aside for the benefit of the Holders.

Section 5. Voting Rights. (a) Except as otherwise required by Law, and subject to the rules of the Nasdaq Capital Market (“Nasdaq”) (or the rules of the principal market on which the Common Stock is then listed) and the Investor Rights Agreement dated as of September 11, 2017 by and between the Company and GMS Tenshi Holdings Pte. Limited (as may be amended from time to time, the “**Investor Rights Agreement**”), the Holders shall be entitled to (i) a number of votes equal to the largest number of whole Common Shares into which all Series A-1 Convertible Preferred Shares held of record by such Holders could then be converted pursuant to Section 7 at the Record Date for the determination of stockholders entitled to vote or consent on the applicable matter or, if no such Record Date is established, at the date such vote or consent is taken or any written consent of stockholders is first executed, (ii) vote as a single class with the holders of Common Shares on all matters submitted for a vote of or consent by holders of Common Shares, and (iii) notice of all stockholders’ meetings (or of any proposed action by written consent) in accordance with the Certificate of Incorporation and Bylaws as if the Holders were holders of Common Shares.

(b) Without first obtaining the written consent or affirmative vote at a meeting called for that purpose of the Series A-1 Majority Holders, the Company shall not, and shall not permit any of its subsidiaries to (i) change, amend, alter or repeal (including as a result of a merger, amalgamation, consolidation, or other similar or extraordinary transaction) any provisions of the Certificate of Incorporation or Bylaws in a manner that adversely amends, modifies or affects the rights, preferences, privileges or voting powers of the Series A-1 Convertible Preferred Stock; or (ii) authorize, create, issue or reclassify any securities (or securities that are convertible into or exercisable for such securities) (A) that would rank *pari passu* with, or senior to, the Series A-1 Convertible Preferred Stock with respect to dividend rights and rights upon Liquidation, or (B) of any subsidiary of the Company (other than shares issued to the Company or another wholly-owned subsidiary of the Company).

Section 6. Liquidation.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company or the occurrence of a Deemed Liquidation Event (each, a “**Liquidation**”), after satisfaction of all liabilities and obligations to creditors of the Company and before any distribution or payment shall be made to holders of any Junior Securities, each Holder shall be entitled to receive, out of the assets of the Company or proceeds thereof (whether capital or surplus) legally available therefor, an amount per Series A-1 Convertible Preferred Share (the “**Series A-1 Liquidation Preference**”) equal to:

(i) in the case of a Liquidation other than a Deemed Liquidation Event, the sum of (A) five hundred fifty percent (550%) of the Series A-1 Stated Value per share, and (B) an amount equal to (x) any Preferred Dividends accrued, but unpaid, thereon multiplied by five hundred fifty percent (550%), plus (y) any unpaid Participating Dividends, in each case, through the date of Liquidation; and

(ii) in the case of a Deemed Liquidation Event, the sum of (A) six hundred percent (600%) of the Series A-1 Stated Value per share, and (B) an amount equal to (x) any Preferred Dividends accrued, but unpaid, thereon multiplied by six hundred percent (600%), plus (y) any unpaid Participating Dividends, in each case, through the date of the Deemed Liquidation Event.

(b) If, in connection with any distribution described in Section 6(a) above, the assets of the Company or proceeds thereof are not sufficient to pay in full the Series A-1 Liquidation Preference payable on the Series A-1 Convertible Preferred Shares, then such assets, or the proceeds thereof, shall be paid pro rata in accordance with the full respective amounts which would be payable on such shares if all amounts payable thereon were paid in full.

(c) Each of the following events shall be considered a “**Deemed Liquidation Event**” unless the Series A-1 Majority Holders elect otherwise by written notice sent to the Company at least three (3) Business Days prior to the later of (i) the effective date of any such event or (ii) the Holders receive notice of any such event:

(i) the sale, lease, transfer, exchange, license or other disposition, in a single transaction or series of related transactions, of all or substantially all the assets of the Company and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Company if substantially all of the assets of the Company and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries;

(ii) a merger, consolidation, tender offer, reorganization, business combination or other transaction as a result of which the holders of the Company’s issued and outstanding voting securities immediately before such transaction own or control less than a majority of the voting securities (calculated on the basis of voting power) of the continuing or surviving entity immediately after such transaction;

(iii) the Common Stock ceases to be listed or quoted on Nasdaq (or the principal market on which the Common Stock is then listed); provided that such cessation is not attributable to any unilateral action taken by, or on behalf of, a Holder for the sole purpose of creating a Deemed Liquidation Event and not for any bona fide business purpose; or

(iv) an event of default or other default has occurred and is continuing under any of the Company's or its subsidiaries' credit facilities or other debt financing arrangements, including any "Event of Default" under (A) the senior secured promissory notes issued pursuant to the Note and Warrant Purchase Agreement, dated as of December 22, 2016, as amended, among the Company and the other parties thereto, or (B) the Security Agreement, dated as of December 22, 2016, as amended, among the Company and the other parties thereto.

Section 7. Conversion.

(a) Conversions at Option of Holder. At any time, each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 7(c) below, to convert any or all of such Holder's Series A-1 Convertible Preferred Shares, and the Series A-1 Convertible Preferred Shares to be converted shall be converted into a number of Common Shares (rounding up in the case of any resulting fractional number of Common Shares) equal to the product of (i) the number of Series A-1 Convertible Preferred Shares to be converted, and (ii) the Series A-1 Conversion Rate as of the applicable Series A-1 Conversion Date; provided, however, that if such Series A-1 Conversion Date for the conversion of any Series A-1 Convertible Preferred Shares occurs on or after the Record Date for a Dividend and on or before the immediately following Dividend Payment Date and Dividends have been declared for such Dividend Payment Date, then on such Dividend Payment Date, such Dividend will be paid on such Series A-1 Convertible Preferred Shares notwithstanding such conversion.

(b) Conversions Upon Liquidation. Upon the occurrence of a Liquidation, each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 7(c) below, to convert any or all of such Holder's Series A-1 Convertible Preferred Shares, and the Series A-1 Convertible Preferred Shares to be converted shall be converted into a number of Common Shares (rounding up in the case of any resulting fractional number of Common Shares) equal to:

(i) in the case of a Liquidation other than a Deemed Liquidation Event, the product of (A) the number of Series A-1 Convertible Preferred Shares to be converted, and (B) five hundred fifty percent (550%) of the Series A-1 Conversion Rate as of the applicable Series A-1 Conversion Date; and

(ii) in the case of a Deemed Liquidation Event, the product of (A) the number of Series A-1 Convertible Preferred Shares to be converted, and (B) six hundred percent (600%) of the Series A-1 Conversion Rate as of the applicable Series A-1 Conversion Date;

provided, however, that if such Series A-1 Conversion Date for the conversion of any Series A-1 Convertible Preferred Shares occurs on or after the Record Date for a Dividend and on or before the immediately following Dividend Payment Date and Dividends have been declared for such Dividend Payment Date, then on such Dividend Payment Date, such Dividend will be paid on such Series A-1 Convertible Preferred Shares notwithstanding such conversion.

(c) Conversion Procedures. In order to effect a conversion of Series A-1 Convertible Preferred Stock, a Holder (a “**Series A-1 Converting Holder**”) must provide the Company with a conversion notice (a “**Series A-1 Notice of Conversion**”) that specifies (i) the number of Series A-1 Convertible Preferred Shares to be converted, (ii) the date on which such conversion is to be effected, which date may not be prior to the date the Series A-1 Converting Holder delivers such Series A-1 Notice of Conversion to the Company (such date, the “**Series A-1 Conversion Date**”), and (iii) if not to the Series A-1 Converting Holder, the names of the nominees to which the Series A-1 Converting Holder wishes the Common Shares to be issued. If no Series A-1 Conversion Date is specified in a Series A-1 Notice of Conversion, the Series A-1 Conversion Date shall be the date that such Series A-1 Notice of Conversion is delivered hereunder. Within two (2) Business Days of receipt of the Series A-1 Notice of Conversion, the Company shall (A) determine the number of Common Shares to be issued to the Series A-1 Converting Holder pursuant to this Certificate of Designation (such Common Shares, the “**Series A-1 Conversion Shares**”), and (B) direct the Transfer Agent, in writing, with a copy to the Series A-1 Converting Holder, to issue the Series A-1 Conversion Shares to the Series A-1 Converting Holder as promptly as practicable on or after the Series A-1 Conversion Date (and in no event later than two (2) Business Days thereafter). Such Series A-1 Conversion Shares shall be issued in uncertificated form and shall be issued in book-entry form. In the event that a holder shall not by written notice designate the name in which Series A-1 Conversion Shares or the manner in which such shares should be delivered, the Transfer Agent shall be entitled to register and deliver such shares in the name of the holder and in the manner shown in the register of stockholders of the Company. Any conversion of Series A-1 Convertible Preferred Shares under this Section 7 shall be subject to the applicable rules of Nasdaq (or the rules of the principal market on which the Common Stock is then listed). Except to the extent provided in the proviso to Section 7(a) and the proviso to Section 7(b), effective immediately prior to the close of business (5:00 p.m., New York City time) on the Series A-1 Conversion Date applicable to any Series A-1 Convertible Preferred Shares, Dividends shall no longer accrue or be declared on any such Series A-1 Convertible Preferred Shares and such Series A-1 Convertible Preferred Shares shall cease to be outstanding.

(d) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Shares issuable upon conversion of Series A-1 Convertible Preferred Shares shall be treated for all purposes as the record holder(s) of such Common Shares as of the close of business (5:00 p.m., New York City time) on the Series A-1 Conversion Date for such conversion.

(e) Effect of Conversion. Without limiting the right of Holders to receive any Dividend on a Dividend Payment Date pursuant to the proviso to Section 7(a) and the proviso to Section 7(b), all Series A-1 Convertible Preferred Shares which shall have been converted as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares shall immediately cease and terminate as of the close of business (5:00 p.m., New York City time) on the Series A-1 Conversion Date for such conversion, except the right of the holders thereof to receive Common Shares in exchange therefor. Any Series A-1 Convertible Preferred Shares so converted shall be retired and cancelled and may not be reissued as shares of such series, and the Company may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of Series A-1 Convertible Preferred Shares accordingly.

(f) Taxes. The Company shall pay any and all transfer, issue and other similar taxes that may be payable in respect of any issuance or delivery of Common Shares upon conversion of Series A-1 Convertible Preferred Shares pursuant to this Section 7. The Company shall not, however, be required to pay any transfer tax which may be payable in respect of any transfer involved in the issuance and delivery of Common Shares in a name other than that in which the shares of Series A-1 Convertible Preferred Shares so converted were registered, and no such issuance or delivery shall be made unless and until the Person requesting such issuance has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid.

Section 8. Redemption. Upon the occurrence of a Deemed Liquidation Event, a Holder may irrevocably elect to require the Company to repurchase any or all of such Holder's Series A-1 Convertible Preferred Shares by giving irrevocable, written notice to the Company of such election (a "**Deemed Liquidation Redemption Notice**"). The Deemed Liquidation Redemption Notice shall state the number of Series A-1 Convertible Preferred Shares to be repurchased and the date of repurchase ("**Deemed Liquidation Repurchase Date**"), which must be a Business Day and shall be at least fifteen (15) but no more than sixty (60) calendar days following the delivery of such Deemed Liquidation Redemption Notice. In the event a Deemed Liquidation Redemption Notice is duly delivered in accordance with this Section 8, the Company shall be obligated to repurchase, on the Deemed Liquidation Repurchase Date, the Series A-1 Convertible Preferred Shares specified in the Deemed Liquidation Redemption Notice at a repurchase price per share, payable in cash, equal to the sum (without duplication) of (i) six hundred percent (600%) of the Series A-1 Stated Value per share, and (ii) an amount equal to (x) any Preferred Dividends accrued, but unpaid thereon, multiplied by six hundred percent (600%) plus (y) any unpaid Participating Dividends, in each case, through the Deemed Liquidation Repurchase Date.

Section 9. Certain Adjustments.

(a) If the Company, at any time while Series A-1 Convertible Preferred Stock is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on Common Shares or any other equity or equity equivalent securities payable in Common Shares (which shall not include PIK Shares or any Common Shares to be issued by the Company upon conversion of any Series A-1 Convertible Preferred Stock in accordance herewith or upon exercise of the Warrants in accordance therewith), (ii) subdivides (by any stock split, stock dividend, recapitalization or otherwise) outstanding Common Shares into a larger number of shares, (iii) combines (by combination, reverse stock split or otherwise) outstanding Common Shares into a smaller number of shares, or (iv) issues by reclassification of Common Shares any shares of capital stock of the Company, then, in each case, the Series A-1 Conversion Rate shall be multiplied by a fraction of which (A) the numerator shall be the number of Common Shares outstanding on a fully-diluted basis immediately before such event, and (B) the denominator shall be the number of Common Shares outstanding on a fully-diluted basis immediately after such event; provided that, for purposes of the foregoing, the applicable number of Common Shares outstanding on a fully-diluted basis shall include, for the avoidance of doubt, any Common Shares that the Company would be required or permitted to issue assuming the conversion, exchange or exercise, as applicable, of any then-outstanding options, warrants, performance stock units, restricted stock units and other securities or instruments convertible or exchangeable into, or exercisable for, Common Shares, whether or not then convertible, exchangeable or exercisable, but excluding any such Common Shares that the Company would be required or permitted to issue pursuant to any then-outstanding Series A-1 Convertible Preferred Shares or any then-outstanding Warrants. Any adjustment made pursuant to this Section 9(a) shall become effective, (x) in the case of clause (i) above, immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and (y) in the case of clauses (ii), (iii) and (iv) above, immediately after the effective date of such event.

(b) If any event occurs of the type contemplated by the provisions of Section 9(a) but not expressly provided for by such provisions, then the Board of Directors shall make an appropriate adjustment to the Series A-1 Conversion Rate so as to protect the rights of the Holders; provided, that no such adjustment pursuant to this Section 9(b) shall adjust the Series A-1 Conversion Rate as otherwise determined pursuant to this Section 9.

(c) In the event that the Series A-1 Conversion Rate is adjusted pursuant to any provision of this Section 9, the Company shall promptly deliver to each Holder a notice setting forth the Series A-1 Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 10. Reservation of Shares. The Company shall at all times when the Series A-1 Convertible Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued capital stock, for the purpose of effecting the conversion of the Series A-1 Convertible Preferred Stock, such number of its duly authorized Common Shares as shall from time to time be sufficient to effect the conversion of all outstanding Series A-1 Convertible Preferred Stock; and if at any time the number of authorized but unissued Common Shares shall not be sufficient to effect the conversion of all then outstanding shares of the Series A-1 Convertible Preferred Stock, the Company shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to the Certificate of Incorporation. Prior to the delivery of any securities that the Company shall be obligated to deliver upon conversion of the Series A-1 Convertible Preferred Shares, the Company shall comply with all applicable laws and regulations that require action to be taken by the Company. Each Common Share, when issued upon conversion of any Series A-1 Convertible Preferred Share, and each PIK Share, when issued in connection with a Preferred Dividend, will be duly authorized, validly issued, fully paid and non-assessable and, in the case of Common Shares, will be listed on Nasdaq (or the principal market on which the Common Stock is then listed).

(f) Section 280G Payments. No Company Plan provides for any payment by the Company or any Subsidiary that would result in the payment of any compensation or other payments that would not be deductible under the terms of Section 280G of the Code after giving effect to the transactions contemplated hereby.

(g) Section 409A. Each Company Plan that constitutes a nonqualified deferred compensation plan subject to Section 409A of the Code has been administered in all material respects, in both form and operation, with the provisions of Section 409A of the Code and the treasury regulations and other generally applicable guidance published by the IRS thereunder. Section 4.20 Real Property: Title. The Company and its Subsidiaries do not own any real property. The SEC Documents include as exhibits thereto all Leases relating to the Leased Real Property. Except as has not been, and would not reasonably be expected to be, material to the Company and its Subsidiaries, taken as a whole, the Company or one of its Subsidiaries, as the case may be, has a valid leasehold interest in the Leased Real Property, free and clear of all Encumbrances, except for Permitted Encumbrances. The Company and its Subsidiaries have good and marketable title to all personal property owned by them which is material to the business of the Company and its Subsidiaries, in each case, free and clear of all Encumbrances, except such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company and any of its Subsidiaries.

Section 4.21 Intellectual Property. Each registration and application for registration with a Governmental Entity or Internet domain name registrar of Owned Intellectual Property (collectively, the "**Registered Intellectual Property**") is (i) valid, subsisting and enforceable, (ii) currently in compliance with any and all formal legal requirements necessary to maintain the validity and enforceability thereof and record and perfect the Company's or any of its Subsidiaries' interest therein, and (iii) not subject to any Action or Contract adversely affecting the Company's or any of its Subsidiaries' use thereof or rights thereto, or that could impair the validity or enforceability thereof.

The Company Intellectual Property constitutes all Intellectual Property necessary to conduct the businesses of the Company and its Subsidiaries as currently conducted and as proposed to be conducted. There is no pending or threatened claim by any third party contesting or challenging (i) the validity or enforceability of any Owned Intellectual Property, or (ii) the ownership or right to use by the Company or any of its Subsidiaries of any Company Intellectual Property.

(b) The Company and its Subsidiaries have valid and enforceable licenses to use all Intellectual Property that is the subject of the Company IP Agreements and any other Intellectual Property used in the businesses of the Company and its Subsidiaries as currently conducted and as proposed to be conducted. Each Company IP Agreement is in full force and effect and is enforceable against the Company and, to the knowledge of the Company, the other parties thereto. There does not exist under any Company IP Agreement any default or condition or event that, after notice or lapse of time or both, would constitute a default on the part of the Company or any of its Subsidiaries or, to the knowledge of the Company, on the part of any other party to such Company IP Agreement.

(c) The Owned Intellectual Property and the operation of the businesses of the Company and its Subsidiaries as currently conducted, as has been conducted during the past six (6) years and as proposed to be conducted do not infringe, violate or misappropriate any Intellectual Property of any Person or constitute contributory infringement, inducement of infringement or unfair competition or trade practices under the Law of any jurisdiction. There is no Action pending or, to the knowledge of the Company, threatened against the Company or any of its Subsidiaries by any Person: (i) alleging that the Company, any of its Subsidiaries or the Owned Intellectual Property infringes, misappropriates or otherwise violates the Intellectual Property rights of such Person, or (ii) challenging the validity, enforceability, ownership, or right to use, sell, or license any Owned Intellectual Property. No Person is engaging in any activity, or has engaged in any activity during the past six (6) years, that infringes, misappropriates or otherwise violates or conflicts with any Owned Intellectual Property, and there is no Action pending or threatened by the Company or any of its Subsidiaries against any Person alleging such Person is engaged in any such activity.

(d) The Company and each of its Subsidiaries have taken all reasonable measures to maintain the confidentiality of all confidential information used or held for use in the operation of their businesses, including all confidential Company Intellectual Property. No confidential information, trade secrets or other confidential Company Intellectual Property have been disclosed by the Company or any of its Subsidiaries to, or discovered by, any Person except pursuant to appropriate non-disclosure or license agreements that (i) obligate such Person to keep such confidential information, trade secrets or other confidential Company Intellectual Property confidential both during and after the term of such agreement, and (ii) are valid, subsisting, in full force and effect and binding on the parties thereto and with respect to which no party thereto is in default thereunder and no condition exists that with notice or the lapse of time or both could constitute a default thereunder.

(e) The Company and its Subsidiaries have taken all reasonable steps to protect and maintain the Owned Intellectual Property. Without limiting the foregoing, the Company and its Subsidiaries have and enforce policies requiring each employee, consultant and independent contractor who creates or develops Intellectual Property for or on behalf of the Company and/or any of its Subsidiaries to execute a proprietary rights assignment and confidentiality agreement substantially in the form provided to the Investor, and all current and former employees, consultants and independent contractors of the Company and its Subsidiaries who have created or developed Intellectual Property for or on behalf of the Company have executed such an agreement. No employee, consultant or independent contractor of the Company or its Subsidiaries is in default or breach of any term of such agreement.

(f) No funding, facilities or resources of any Governmental Entity, intergovernmental organization, university, college, other educational institution or research center was used in the development of the Owned Intellectual Property in a manner that has resulted in any such Person having any claim of interest, ownership or license, or right to obtain ownership or license, to any such Owned Intellectual Property.

(g) The Company IT Assets are adequate for the operation of the businesses of the Company and its Subsidiaries and operate and perform in accordance with their documentation and functional specifications. The Company IT Assets have not malfunctioned or failed within the past six (6) years and do not contain any disabling codes or instructions, “time bombs,” “Trojan horses,” “back doors,” “trap doors,” “worms,” viruses, bugs, faults or other software routines or hardware components that (i) significantly disrupt or adversely affect the functionality of any Company IT Assets or other software or systems, or (ii) enable or assist any Person to access without authorization any Company IT Assets. The Company and each of its Subsidiaries have implemented reasonable backup, security and disaster recovery measures and technology consistent with industry practices and no Person has gained unauthorized access to any Company IT Assets.

(h) The Company and its Subsidiaries are in compliance with all applicable Laws and internal policies pertaining to privacy and personally identifiable information, sensitive personal information and any special categories of personal information regulated thereunder or covered thereby (collectively, “**Personal Information**”). There is not and has not been any written complaint to, or any audit, proceeding, investigation (including any formal or, to the knowledge of the Company, informal investigation) or claim against, the Company or any of its Subsidiaries by any private party, data protection authority, any state attorney general or similar state official or any other Governmental Entity, foreign or domestic, with respect to the collection, use, retention, disclosure, transfer, storage, security, disposal or other processing of Personal Information.

Section 4.23 Material Contracts. Each “material contract” (as such term is defined in Item 601(b)(10) of Regulation S-K under the Securities Act) with respect to the Company or any of its Subsidiaries that has been, or was required to be, filed with the SEC with the Company’s Annual Report on Form 10-K for the year ended September 30, 2017 or any Company SEC Documents filed after the date of filing of such Form 10-K until the date hereof (each a “**Material Contract**”) is a legal, valid and binding obligation of the Company or its Subsidiaries party thereto and, to the Company’s knowledge, the other parties thereto, enforceable against the Company or such Subsidiaries and, to the Company’s knowledge, the other parties thereto in accordance with its terms. Neither the Company nor any of its Subsidiaries nor, to the Company’s knowledge, any other party thereto is in breach or violation of, or default under, any Material Contract and no event has occurred or not occurred through the Company’s or any of its Subsidiaries’ action or inaction or, to the Company’s knowledge, the action or inaction of any third party, that with notice or lapse of time or both would constitute a breach or violation of, or default under, any Material Contract, except as would not be, or would not reasonably be expected to be, material to the Company and its Subsidiaries, taken as a whole. The Company and its Subsidiaries have not received any claim or notice of default, termination or cancellation under any Material Contract. There are no unpaid taxes in any material amount claimed in writing to be due by the taxing authority of any jurisdiction, and the Company and its Subsidiaries know of no basis for any such claim. The Company is not a foreign corporation so as to qualify potentially as a passive foreign investment company, as defined in Section 1297 of the Code.

Section 4.26 Internal Accounting and Disclosure Controls. Each of the Company and its Subsidiaries maintains internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) that is effective to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, including that (a) transactions are executed in accordance with management’s general or specific authorizations, (b) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset and liability accountability, (c) access to assets or incurrence of liabilities is permitted only in accordance with management’s general or specific authorization and (d) the recorded accountability for assets and liabilities is compared with the existing assets and liabilities at reasonable intervals and appropriate action is taken with respect to any difference. Since May 12, 2016, neither the Company nor any of its Subsidiaries has received any notice or correspondence from any accountant or other Person relating to any potential material weakness or significant deficiency in any part of the internal controls over financial reporting of the Company or any of its Subsidiaries.

Section 4.27 Off Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Company or any of its Subsidiaries and an unconsolidated or other off balance sheet entity that is required to be disclosed by the Company in the SEC Documents and is not so disclosed or that otherwise would be reasonably likely to be material to the Company and its Subsidiaries, taken as a whole.

(a) by the mutual written consent of the Company and Investor;

(b) by Investor, if the Company, shall have breached any of its representations or warranties or failed to perform any of its covenants or agreements set forth in this Agreement, which breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 7.01(a) or Section 7.01(b) and (B) is incapable of being cured, or if capable of being cured, shall not have been cured within thirty (30) calendar days following receipt by the Company of written notice of such breach or failure to perform from Investor stating Investor's intention to terminate this Agreement pursuant to this Section 8.01(b) and the basis for such termination; provided that Investor shall not have the right to terminate this Agreement pursuant to this Section 8.01(b) if Investor is then in material breach of any of its representations, warranties, covenants or agreements hereunder;

(b) In the event of the termination of this Agreement as provided in Section 8.01(c), the Transaction shall be terminated and abandoned without any further action required by either the Investor or the Company, this Agreement shall forthwith become null and void (other than this Section 8.02 and Article IX, which shall remain in full force and effect and survive termination of this Agreement), the unconverted Exchanged Securities then held by Investor will remain issued and outstanding and governed by the terms of the 2017 Purchase Agreement, and Investor shall be entitled to payment by the Company of a conversion premium equal to \$10 million (as liquidated damages) via wire transfer of immediately available funds to an account designated by the Investor in writing; provided that nothing herein shall relieve any party from liability for any losses or damages incurred or suffered by the other party as a result of a breach of this Agreement prior to such termination or from fraud.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdiction other than the State of New York. The parties hereto hereby irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the courts of the State of New York and the United States of America, in each case located in the County of New York, for any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby (whether brought by any party or any of its Affiliates or against any party or any of its Affiliates). Consistent with the preceding sentence, each of the parties hereto hereby (a) submits to the exclusive jurisdiction of such courts for the purpose of any Action arising out of or relating to this Agreement brought by either party hereto, (b) agrees that service of process will be validly effected by sending notice in accordance with Section 9.06, (c) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above named courts, and (d) agrees not to move to transfer any such Action to a court other than any of the above-named courts. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH OF THE PARTIES HERETO HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.01.

Section 9.02 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission or other means of electronic transmission, such as by electronic mail in "pdf" form) in counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 9.03 Interpretation; Headings. When a reference is made in this Agreement to an Exhibit, a Schedule or a Section, such reference shall be to an Exhibit, a Schedule or a Section of this Agreement unless otherwise indicated. The table of contents, index of defined terms and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include", "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof", "hereto", "hereby", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The term "or" is not exclusive. The word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if". The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Any agreement, instrument or Law defined or referred to herein means such agreement, instrument or Law as from time to time amended, modified or supplemented, unless otherwise specifically indicated. References to a Person are also to its successors and permitted assigns. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the immediately following Business Day. Unless otherwise specifically indicated, all references to "dollars" and "\$" will be deemed references to the lawful money of the United States of America. Each of the parties hereto has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if it is drafted by all the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of authorship of any of the provisions of this Agreement. References to "days" shall mean "calendar days" unless expressly stated otherwise. No specific provision, representation or warranty shall limit the applicability of a more general provision, representation or warranty. It is the intent of the parties hereto that each representation, warranty, covenant, condition and agreement contained in this Agreement shall be given full, separate, and independent effect and that such provisions are cumulative. The phrase "ordinary course of business" shall be deemed to be followed by the words "consistent with past practice" whether or not such words actually follow such phrase. Any reference in this Agreement to a date or time shall be deemed to be such date or time in the City of New York, New York, U.S.A., unless otherwise specified.

Section 9.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by the Transaction Documents are not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that such transactions be consummated as originally contemplated to the fullest extent possible.

Section 9.05 Entire Agreement; Amendments. This Agreement (including the exhibits and schedules hereto and including the Investor Disclosure Schedule and the Company Disclosure Schedule) and the other Transaction Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof and thereof, including that certain term sheet dated as of June 20, 2018. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

Section 9.06 Notices. All notices, requests, claims, demands and other communications under this Agreement shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by an internationally recognized overnight courier service, or by email transmission (upon confirmation of receipt and with a confirmatory copy sent by an internationally recognized overnight courier service) to the respective parties hereto at the following addresses (or at such other address for a party as shall be specified in a notice given in accordance with this Section 9.06):

Section 9.07 Assignment; No Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any party hereto, in whole or in part (whether pursuant to a merger, by operation of law or otherwise), without the prior written consent of the other party hereto, except that Investor may assign all or any of its rights and obligations under this Agreement to any of its Affiliates; provided that no such assignment shall relieve Investor of its obligations under this Agreement if such assignee does not perform such obligations. Subject to the immediately preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 9.08 Waiver. Any party hereto entitled to the benefits thereof may, to the extent permitted by Law (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties contained herein, and (c) waive compliance with any of the covenants, agreements or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby. Notwithstanding the foregoing, no failure or delay by a party hereto in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise of any other right hereunder.

Section 9.09 Survival. The representations, warranties, agreements and covenants shall survive the Closing.

Section 9.10 Specific Performance. The parties hereto acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Each party agrees that, in the event of any breach or threatened breach by the other party of any covenant or obligation contained in this Agreement, the non-breaching party shall be entitled (in addition to any other remedy that may be available to it whether in law or equity, including monetary damages) to (a) an Order of specific performance to enforce the observance and performance of such covenant or obligation, and (b) an injunction restraining such breach or threatened breach. Each party further agrees that neither the other party nor any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10, and each party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Oncobiologics Completes Exchange of Series A Convertible Preferred Stock for Newly Created Series A-1 Convertible Preferred Stock

CRANBURY, N.J., July 19, 2018 – Oncobiologics, Inc. (Nasdaq: ONS) today announced that, on July 18, 2018, the Company completed the exchange of an aggregate of 58,735 shares of voting Series A Convertible Preferred Stock (the “Series A”) held by GMS Tenshi Holdings Pte. Limited (“GMS Tenshi”), a Singapore private limited company and the Company’s controlling stockholder and strategic partner, for 58,735 shares of its newly created series of voting convertible preferred stock, voting Series A-1 Convertible Preferred Stock, par value \$0.01 per share (the “Series A-1”). The Series A-1 has the same conversion and dividend features as the Series A (10% per annum, compounded quarterly, payable quarterly at the Company’s option in cash or in kind in additional shares of Series A-1), but reflects an increased redemption premium (110% to 550%) and increased liquidation preference (120% to 600%) that provides GMS Tenshi with similar redemption premium and liquidation preference for its aggregate Series A holdings before the conversion. The Company and GMS Tenshi also further amended the Investor Rights Agreement, dated September 11, 2017, to extend such rights to the Series A-1 and shares of common stock underlying such preferred stock.
